This is a response to the Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US) mailed on April 2, 2007.

The Applicant has already filed an oath or declaration on June 22, 2006 along with the original application. The Notice of Missing Requirements issued on April 2, 2007, states that the oath or declaration did not comply with 37 CFR 1.497 (a) and (b) in that it did not identify the application to which it was directed.

37 CFR 1.497(a) states that

(a) When an applicant of an international application desires to enter the national stage under 35 USC 371 pursuant to section 1.495, and a declaration in compliance with this section has not been previously submitted in the international application under PCT Rule 4.17(iv) within the time limits provided for in PCT Rule 26ter.1, he or she must file an oath or declaration that:

... (2) Identifies the specification to which it is directed; ...

Applicant notes that the declaration filed with the original application was the declaration previously submitted in the international application under PCT Rule 4.17(iv) within the time limits provided for in PCT Rule 26ter.1, which is noted on the published International Application. Therefore, the Applicant was not required to identify, in the oath or declaration, the specification to which it was directed.
